Dear Volunteer,

Thank you for your desire to volunteer, to participate in cultural exchanges and to give back to the community. We are always looking for people to assist with the many projects and programs benefiting Utah’s refugees.

The best resource for opportunities can be found online at the Refugee Services Office website: www.refugee.utah.gov/refugee. Here you will find information about refugees and refugee service providers. The Refugee Services Resource Manual contains information about the many organizations and programs that assist refugees. Many of the organizations listed are looking for volunteers; below are a few opportunities.
